About INFLIBNET

The Information and Library Network (INFLIBNET) Centre is an autonomous Inter-University Centre (IUC) of the University Grants Commission (UGC) located in the Infocity, Gandhinagar. Major activities and services of the Centre are geared towards modernization of academic libraries and information centres, promotion of information transfer and access, and support for scholarship, learning, and academic pursuits. The Centre acts as a nodal agency for networking of libraries and information centres in universities, institutions of higher learning, and R & D institutions in India. The Centre was established as an independent autonomous Inter-University Centre of the UGC in May 1996 and set out to be a major player for promoting scholarly communication among academicians and researchers across the country. With technology being a driving force in the contemporary education system, the INFLIBNET Centre has taken up a number of initiatives for the benefit of the academic community in India.

About Avantika University

Established in 2017 by an Act of the State Government of Madhya Pradesh, Avantika University, Ujjain, is India's first design-centric university. An initiative of the MIT Group of Institutions, Pune, it draws upon over four decades of excellence in higher education, research, and institutional leadership. The University offers a learner-centric, interdisciplinary academic environment integrating engineering, design, and liberal arts, supported by project-based and studio-driven pedagogy, experiential learning, and industry-aligned curricula. Committed to nurturing creative, ethical, and socially responsible leaders, Avantika University emphasizes innovation, critical inquiry, and problem-solving, contributing to national development and the global knowledge ecosystem in alignment with the University Grants Commission's vision for quality and excellence.
