About INFLIBNET

The Information and Library Network (INFLIBNET) Centre is an autonomous Inter-University Centre (IUC) of the University Grants Commission (UGC) located in the Infocity, Gandhinagar. Major activities and services of the Centre are geared towards modernization of academic libraries and information centres, promotion of information transfer and access, support scholarship, learning and academic pursuits. The Centre acts as a nodal agency for networking of libraries and information centres in universities, institutions of higher learning and R & D institutions in India. The Centre was established as an independent autonomous Inter-University Centre of the UGC in May 1996 and set out to be a major player for promoting scholarly communication among academicians and researchers across the country. With technology being a driving force in the contemporary education system, the INFLIBNET Centre has taken up a number of initiatives for the benefit of the academic community in India.

About Bundelkhand University

This seat of higher learning came into existence on August 26, 1975, vide Government of Uttar Pradesh Notification No. 10/15-60/74 under the provision of the U.P. Universities Act. However, though belonging to the younger generation of the Indian Universities, the Bundelkhand University has fast transformed into a University of excellence offering opportunities to the aspiring youths to pursue higher education, applied research and Professional training according to their aptitude and potential. The University aims to become a world-class institution by tapping human potential to lead the country in changing national, regional and global scenario with a mission to impart quality vocational and scientific education through basic and applied research, to improve the quality and value of humans irrespective of gender, caste, nationality and religion.

Central Library

Central Library is heart and soul of the Bundelkhand University to provide information dissemination to its users since 1975. The Central Library is completely automated with Radio Frequency Identification Device security system with KOHA open-access Integrated Library Management Software (ILMS) and has digital library facility. Library caters to the information needs of Faculty, Research Scholars, PG and UG Students on the campus and it is equipped with 1,85,000 quality books; journals and magazines; News Papers and e- books, e- journals, digitized Theses and Databases. The Library delivers high quality and comprehensive information resources and services to support Teaching, Learning and Research needs of the library Patrons.
